PROFESSIONAL EXPERIENCE

Client Success & Operations Expert

INFUSE, Portland, OR | March 2023 – Present

- Coordinate execution across 40+ enterprise accounts, managing concurrent workstreams involving internal production, finance, sales, and client stakeholders to ensure delivery on time and on scope
- Proactively identified at-risk accounts and drove resolution before escalation, reducing client churn by 22% and maintaining 95% portfolio retention rate
- Served as primary cross-functional connector between clients and internal teams, facilitating alignment discussions and translating business needs into structured action plans
- Reduced implementation timelines through process documentation, structured onboarding workflows, and proactive stakeholder communication
- Generated \$250K+ in expansion revenue by identifying gaps in client programs and coordinating solutions across product, sales, and delivery teams
- Analyzed 100+ accounts monthly to surface trends, flag risks, and deliver data-driven recommendations that improved client ROI

Operations Manager

Self Enhancement, Inc., Portland, OR | November 2019 – March 2023

- Led enterprise-wide technology deployment for 150+ employees, owning full execution from vendor coordination and project planning through staff training and go-live with zero operational disruption
- Designed and executed procurement systems processing \$200K+ annual spend, implementing approval workflows, budget controls, and compliance documentation
- Established operational rhythms and cross-departmental coordination processes that reduced costs by 20% through process standardization and system integration
- Managed \$170K in community support programs, coordinating logistics and vendor partnerships for 1,300+ program beneficiaries
- Reported directly to COO, supporting executive-level planning, initiative tracking, and cross-functional alignment across all departments

Administrative Coordinator

Multnomah County Human Services, Portland, OR | September 2012 – November 2019

- Processed 1,000+ annual service requests while maintaining 100% compliance with state regulations, payment systems, and audit requirements
- Developed documentation and training programs for 50+ service providers, reducing process errors by 35% through standardization and structured knowledge transfer
- Built multi-system tracking solutions consolidating data from disparate sources to support leadership decision-making across programs
- Coordinated complex logistics for multi-city operations, managing budgets, vendor relationships, and cross-team dependencies simultaneously

EDUCATION

Bachelor of Science, Journalism & Communication

University of Oregon, Eugene, OR
